## PRIVILEGES OF CONTRIBUTORS.

---

**Subscribers of a Guinea** and upwards for more than one year are Governors as long as they maintain their subscriptions. Donors of ten guineas and upwards in one sum are Governors for life. Governors are entitled to send their own domestic servants for free treatment in the Hospital.

**Firms, Clubs, and Hotels** subscribing two Guineas annually may send one of their employés for free treatment each year; four guineas, 2; and five guineas, 3 employés.

**No Letters of Admission are issued.** It will be sufficient for contributors to give their names to ensure the free treatment to which their servants or employés may be entitled.

**Prompt Admission** may be secured as follows:—A medical man should be asked to certify the disease the patient is suffering from, and this certificate should be sent to the Hospital together with the name of a person who will undertake to see that the fee of £3 3s.\* (or £3 3s. a week, as the case may be) is paid. If the sufferer can be received, a Brougham-ambulance with attendants, including a nurse when necessary, will be sent to convey the patient to Hospital. There is a charge, according to distance, for horse hire for the ambulance, to be paid in addition to the fee, except in the case of Governors residing within a radius of five miles of the Hospital. These are entitled to free conveyance for their servants as well as free treatment.

If the ambulances of the Hospital cannot be spared for the journey to a distant suburb, information will generally be given as to where to apply for a conveyance locally.

N.B.—Disregard of these instructions frequently causes delay and annoyance.

---

\* Not required in cases where sufferers are entitled to free treatment.

# REPORT OF THE COMMITTEE

FOR THE

Year ended 31st December, 1903.

THE year 1903 was marked by a very small incidence of infectious fevers throughout the Metropolis, and the admissions to the London Fever Hospital were proportionately decreased in number: the total number of patients admitted during the year was only 371; this is the smallest total since the year 1894, when only 362 patients were admitted.

SCARLET FEVER.—Two hundred and twenty-eight patients were admitted suffering from Scarlet Fever: 55 were in the Hospital when the year began, making a total of 283 under treatment during the year, of whom 252 were discharged cured, 3 died, and 28 were still under treatment at the close of the year: the mortality from Scarlet Fever was 1·1 per cent.

MEASLES.—Thirty-nine cases of Measles were under treatment during the year (including 1 who was already in Hospital at the end of the year 1902); of these 39 cases, 37 left the Hospital cured, 1 was in Hospital when the year ended, and there was 1 fatal case.

RUBEOLA.—Fifty-one cases of German Measles came under treatment; all left the Hospital recovered.

DIPHTHERIA.—There were 10 cases of Diphtheria in the Hospital at the beginning of 1903, and 35 cases were admitted during the year: of the 45 cases which thus came under treatment, 40 left the Hospital cured, 2 were in Hospital on December the 31st, and 3 died: the mortality was therefore 6.9 per cent., comparing with a mortality of 6.4 per cent. in the previous year.

DISEASES OTHER THAN INFECTIOUS FEVERS.—Nineteen cases were sent into the Hospital said to be suffering from Infectious Fever, but were found not to be so: most of these cases were of Tonsillitis sent in as Diphtheria: all the cases—except 1 still in Hospital—went out recovered.

Of the Officials of the Institution, 1 nurse contracted Scarlet Fever 2 nurses suffered from Diphtheria, and 1 nurse and 1 ward-maid from German Measles.

Dr. Garrett resigned the post of Assistant Resident Medical Officer in March, 1903, and Dr. F. S. Dawe, M.D., B.Sc., was elected to fill the vacancy.

During the year Dr. Albert Buchanan and Mr. W. S. Foster resigned the Committee, of which they had been members for many

years. Colone. Phillpotts, Captain J. T. Woolrych Perowne, Mr. G. E. Mead and Mr. Herbert Marshall joined the Committee.

The Donations received were £1392 12s. as against £4266 in 1902, during which year the Centenary Festival was held: £4719 was received in 1903 from Subscriptions, a falling off of £89. From King Edward's Fund £600 was received.

The Legacies to the Hospital during the year amounted to £2,558.

*LIVERPOOL ROAD, ISLINGTON.*

## LAWS AND REGULATIONS.

---

### Reception of Patients.

1. The Hospital is intended for the reception of persons suffering from infectious fever other than small-pox, and more especially for such of those persons as may require isolation, in order to prevent the further spread or propagation of the disease from them to others.

2. Any person (not being a parochial pauper) labouring under such disease shall, subject to the next rule, be considered a proper person for admission into the Hospital.

3. The Committee may from time to time make regulations for the admission of such persons as patients on payment of such sums as may be from time to time determined, provided always that—

(a) Domestic servants of governors shall be admitted gratuitously.

(b) The Committee may, if they think fit, at any time reduce or wholly remit the fees in the case of individual patients.

4. Applications for admission should be accompanied by a medical certificate stating the nature of the disease. The medical officers may, in the exercise of their discretion, refuse admission to any case which they deem unfit; but every refusal to admit a patient shall be reported at the next meeting of the Committee, together with the reason for the refusal.

### Governors.

5. All subscribers of not less than one guinea per annum, who have subscribed for more than one year, and all donors of not less than ten guineas in one donation, shall be governors of the Hospital. This rule shall not be retrospective.

### General Meeting and Election of Committee.

6. A general meeting of the governors, of which ten days' previous notice must be given in three morning newspapers, shall be held every year, on the second Friday in February, or as near thereto as may be convenient, for the purpose of approving or rescinding the proceedings of the Committee for the preceding year; for receiving the annual report of the state of the funds; and for electing a president, vice-presidents, treasurer, honorary secretary, and other members of the Committee for the ensuing year.

7. The Committee for the management of the Hospital shall consist of the president, the vice-presidents, the trustees, the treasurer, honorary secretary, and not less than fifteen nor more than twenty-five other governors.

8. A special general meeting of the governors may at any time be called by direction of the president or of the Committee; or on the requisition of any twelve governors, provided the requisition be made in writing to the secretary, and the purpose for which the same is summoned be published in three morning newspapers at least ten days prior to the meeting; but the proceedings of such special general meeting, though acted upon *pro tempore*, shall not be deemed final until confirmed by another general meeting.

9. No new rule or law shall be made, nor shall any existing rule or law be repealed or altered, until determined upon at a general meeting by a majority of governors present and voting, and until confirmed at a subsequent general or special meeting.

10. The presence of seven governors shall be necessary to constitute a quorum at general meetings, and without that number no business shall be transacted.

### The Committee.

11. The Committee shall manage the Hospital. They shall meet on the second Friday, or on such other day of every month as they may appoint; and three members shall be necessary to constitute a meeting and to transact business. A special meeting of the Committee may be called by the direction of the honorary secretary, or by any three members of the Committee, on giving at least three days' notice of the same to the members of the Committee, and specifying the business for which it is called.

12. The Committee shall have authority to appoint sub-committees, whose reports shall be submitted to their consideration; and with the assistance of the medical officers shall, from time to time as may be expedient, form regulations and by-laws for the internal management of the Hospital.

13. The resolutions of one meeting of the Committee shall not be rescinded by another, unless it be specially summoned for that purpose.

14. The Committee shall yearly publish a report of the state of the Hospital.

15. All accounts, except such sums as may be comprised under the item of petty cash, shall be submitted to the Committee at the monthly meetings, after having been duly examined by the secretary, the resident medical officer, the house-directors, and certified by the auditor; and such accounts, if approved, shall be paid by cheques, payable to order, signed by two members of the Committee, on production of the House Directors' minutes relating to them, and countersigned by the secretary.

16. No member of the Committee shall furnish, otherwise than gratuitously, any goods, provisions, or other articles, for the use of, or on account of, the Hospital, or be concerned in any contract, directly or indirectly, for supplying the same, or be employed for hire, fees, wages, or profit in any office or employment in connection with the Hospital.

### Conduct of Meetings.

17. At all meetings a simple majority of the members present and voting shall bind the minority; and in case of equality of votes, the chairman shall have an additional or casting vote.

### Treasurer.

18. The treasurer, if present, shall take the chair at all meetings of the Committee, in the absence of the president or vice-presidents. He shall keep an account at the bankers', and all moneys received for the use of the Hospital shall be paid to such account; he shall honour cheques signed, as provided in Rule 15.

### Honorary Secretary.

19. In the absence of the Committee, the honorary secretary shall represent the Hospital with the public and with public bodies, reporting his action to the Committee.

### Audit.

20. All accounts of the Hospital shall be audited by a professional auditor. The auditor shall certify the accounts, and it shall be his duty to report to the Committee anything in the books or accounts which in his opinion appear to call for comment.

21. At the meeting of the Committee in November, three gentlemen, one at least of whom shall not be a member of the Committee, shall be appointed to examine the accounts of the Hospital for the current year, and approve an abstract of all receipts and disbursements to be prepared by the secretary, and laid before the annual general meeting in February.

### House-Directors.

22. The house-directors shall consist of the trustees, treasurer, the two physicians and the architect, who shall be *ex-officio* house-directors, and of three elected house directors chosen as follows:—The Committee at their meeting in February shall

appoint a member of their own body to be chairman of house-directors, who shall retain office for a term of three months. They shall in like manner appoint a chairman of house-directors at their meetings in May, August, and November. The same person shall not, unless by special resolution of the Committee, be elected for two terms in succession. The Committee at each monthly meeting shall appoint two members of their body to be house-directors for the ensuing month, one of whom, if possible, shall not have served during the previous month. If the same house-directors are re-appointed, they shall only be so appointed by special resolution.

23. They shall from time to time cause the beds, clothes, and apparel belonging to the Hospital to be examined, and shall report thereon, if necessary, to the Committee. They shall inspect the tradesmen's bills, and take care that the provisions, bedding, clothing, furniture, and every article for the use of the Hospital be supplied on the most reasonable terms; they shall order in writing all permanent stores, and shall advise the Committee as to all larger requirements and structural alterations.

24. All articles required in large quantity shall, where practicable, be supplied by contract after public tender, and all considerable contracts for work or repairs be made after public tender or invitation to not less than three respectable firms, but the house-directors shall not be obliged to accept the lowest or any tender.

25. They shall be authorised in all respects to enforce the observance of the regulations of the Hospital; they shall notice and report to the Committee any irregularity or misconduct on the part of the officers, servants, or patients of the charity, and shall, at every meeting of the Committee, cause a statement of the house expenditure to be produced for the preceding month. They shall appoint and dismiss, or approve the appointment or dismissal, of all nurses, porters, and other servants, male or female.

26. The chairman of the house-directors shall, during the intervals between their meetings, be authorised to exercise the functions of the house-directors in any matter of urgency, reporting, at their next meeting, what he may have done under this authority.

### Physicians.

27. There shall be two physicians and one or more assistant physicians, who shall be Fellows or Members of the Royal College of Physicians of London; and also a surgeon, who shall be a Fellow of the Royal College of Surgeons.

28. One of the physicians shall visit the Hospital at least once every day. The physicians shall have the power of dismissing any patient for refractory conduct or disobedience of orders. The physicians, assistant physicians, and surgeon shall be entitled to attend all Committee meetings.

28A. No physician shall hold the appointment of physician for more than twenty years, nor after he shall have attained the age of sixty-five years.

### Assistant Physicians.

29. In case of the illness or necessary absence of either of the physicians, one of the assistant physicians shall attend regularly in his stead. Such attendances

shall be reported to the Committee. If the number of patients exceed 150 an assistant physician shall come on active duty.

30. The surgeon shall undertake the surgical charge of such patients as the physicians may deem necessary, and in case of emergency shall attend when summoned by the resident medical officer. Such attendances shall be reported to the Committee. If unable to attend, the surgeon shall substitute a duly qualified deputy.

33. His status shall be similar to that of the physicians to the Hospital.

#### **Resident Medical Officer.**

34. The resident medical officer shall reside constantly at the Hospital, and shall devote himself entirely to the duties of his office, as defined by these laws and by the by-laws. Candidates for the post shall be required to produce satisfactory testimonials to the Committee.

35. He shall superintend the wards and Hospital generally, between the visits of the physicians, and the dispensary shall be exclusively under his control. In the absence of the Committee and house-directors, he shall be recognised as the head of the establishment.

36. He shall keep accurate registers of the patients and of their cases, which registers shall be the property of the Hospital; he shall produce a special report every month, to be laid before the Committee.

37. When the number of patients shall be sufficiently great, or other circumstances render such a step necessary, the Committee shall have power to appoint one or two assistants to the resident medical officer, and he or they shall receive such remuneration as the Committee shall from time to time determine.

#### **Secretary, House Steward, and Collector.**

38. There shall be a secretary and a house steward. These offices shall be filled by the same or by different persons as the Committee shall from time to time think fit.

39. The duties of the secretary shall be to have the conduct of the correspondence of the Hospital, the keeping of the accounts, and to perform all duties appointed by the by-laws.

40. The house steward shall have the management of the domestic affairs of the Hospital, under the general superintendence of the resident medical officer, and shall perform the duties appointed by the by-laws.

41. The duties of the collector shall be—

To call on subscribers and collect all donations and subscriptions of the Hospital ; to give only authorised printed receipts for the same ; to attend all meetings when required ; to keep correct lists and duplicate lists of all donations and subscriptions, with the residences of the donors and subscribers, made up from day to day ; to pay weekly all moneys he may receive to the bankers ; to deliver weekly to the secretary reports in writing of all moneys received and paid, with the balance at the bankers' ; to keep the accounts regularly entered in the collector's cash book ; to deliver a copy of the annual report to each subscriber ; and to perform all the duties appointed by the by-laws.

42. The secretary, house steward, and collector shall be required to enter into bonds with sufficient sureties for the due and faithful performance of their duties in such sums as the Committee may determine.

#### **Matron.**

43. The matron shall have the direction of the nurses and female servants of the Hospital, subject to the superintendence of the house directors and the resident medical officer, and shall be responsible for the care and order of the wards. She shall have charge of the housekeeping arrangements, and shall perform the duties appointed by the by-laws.

#### **Election of Officers.**

44. The physicians, surgeon, assistant physicians, architect, resident medical officers, matron, auditor, and secretary shall be elected by a Committee comprised of the Committee for the management of the Hospital, the honorary medical officers, and the architect.

#### **Salaries.**

45. No variation in the fixed salaries of officials shall be made unless the Committee be summoned for that purpose, and unless the proposed addition or diminution be confirmed by a subsequent Committee.

#### **Trustees.**

46. The legal estate in the lands, buildings, and premises of the Hospital shall be vested in not less than three trustees, new trustees being appointed at a general meeting of the governors when vacancies occur.

47. All legacies of £100 and upwards, unless otherwise directed by the testators, shall be invested for the benefit of the Hospital, in the names of three trustees, to be called trustees of the fund.

49. It shall be a standing instruction to the Committee and officers of the Hospital that any minister of religion desirous of visiting or ministering to patients of his own denomination shall be received with all courtesy, and shall be afforded all facilities consistent with the wishes and welfare of the patients, and the convenient conduct of the Hospital.

### By-Laws.

50. The by-laws which shall from time to time be made by the Committee shall be open to the inspection of any governor, and shall contain, among other things, a full specification of the duties of the resident medical officer, the matron, and other officers and servants of the Hospital, together with the terms of their employment. This specification of his or her own duties shall be read to and assented to in writing by, every person before his or her appointment, and referred to on all occasions of doubt.
